

**The Royal Court Hotel is the perfect location to hold your wedding reception. The view alone is reason enough, but by no means the only reason.**

Situated on the North Antrim Coast overlooking the Whiterocks Beach at Portrush, our **two function rooms** – the **Dunluce Room** and the **Atlantic Suite**, both offer magnificent views stretching from County Donegal in the west to the Scottish Isles in the east and of course the Atlantic Ocean.

Beautiful scenery and more often than not breathtaking sunsets mean that not only may you have stunning photo opportunities but also your guests will be able to see some of the best aspects of the beautiful north Antrim coastline.

The Dunluce Room can cater for up to 140 wedding day guests and up to 200 guests for an evening reception.

The Atlantic Suite can cater for up to 250 wedding day guests and up to 350 guests for an evening reception.

Some couples may prefer to have a formal wedding that follows traditional wedding practices while others would like a less constrained occasion where traditional speeching and protocol are less evident.

Whichever style of wedding you want our experienced management team is available at all times to offer advice and guidance.

Luxurious accommodation is available for you and your guests. The bridal suite has fabulous seaviews, 4-poster bed, large-screen TV, en-suite bathroom and shower facilities.

The Royal Court Hotel's reputation for providing an outstanding service and superb cuisine is well justified and the number of weddings and functions we host reflects this.
